I  
dont have an mp3 of my voice, but I have a good enough voice . I  
do want to make it, record stuff and hope to get signed one day  
soon. In my 20's, nice all around good guy, I may not look that  
friendly. Looking for a band Age range 18-27 NO ROCK & ROLL  
OR METAL... Dont get me wrong I like Rock n Roll and Metal but  
not what I want to do. If you can write lyrics that would be good to  
but you dont have to.
