?Hey we've only got a guitarist and a bassist and a singer currently in our band, and we're looking to see if there is a drummer living in Western Sydney, AUSTRALIA who has at least one years experience and is aged between 12 and 15 years old, and is currently not in a band. If you play drums and are aged between 12 and 15 and live in Western Sydney, AUSTRALIA and may be interested in auditioning to join Manual Prank please email some info about you to: [manualprank@yahoo.com.au](mailto:manualprank@yahoo.com.au) and we'll get back to you.

Some-body who would get the position would: \*Be between 12-15 \*Live in Western Sydney \*Like the band Anti-Flag \*Like and play punk rock \*Be interested in writing original songs \*Have their own kit
