

Musicians Wanted

Posted by [Jivin' n' hob-nobbin'](#) on **Tuesday, January 8th at 03:16 PM**

So who here can play the drums/guitar and lives in southern california (more preferably LA county)? Ive already got a bassist. Im forming a band (obviously) and i can get us to play at shows, notably hollywood. Me and the other guy's influences are plenty of punk, glam rock, ska and post-punk bands (so NO EMO PLEASE). So if your ass is interested, please hit me up!
