Title : HEED

Lyrics :

I've always thought that the world owed me
I was the center of the universe
I played God, I thought I couldn't die
I knew it all could never go wrong

The world turned and moved as it suited me
I walked the thin line, I thought it was cool
I misused the life God gave me
I never knew never had a clue that...

When this vessel we're in is gone
And we look back at what we've done
And we see the damage we've caused
Don't you think by then it might be too late

Heed, the warnings that you hear
Heed, the signs that you see
