Title : BACKSTAB

Lyrics :

A loser, a bastard, a user
Was what you used to call me
But now you're crawling, you're down on your knees
Begging me to forgive you

I search deep down in my soul
to see if there's still love left
But all I see are the ashes you left
Reminding me that you burned me

You back stabbing son of a bitch
You turned your back on me
I trusted you with my life
Now you do this to me
How can you look me in the eye and lie to me
You back stabbing son of a bitch
I'll make you pay now

I should have seen it have seen it coming
But i was too blind to see
Now there's nothing to say
You should go your own way
