**Title :** FOREVER SHALL BE

**Lyrics :**

It's always been who's harder than whom  
It doesn't really matter as long as you're true  
As long as the fire burns in your heart  
As long as you're true right from the start

As it was in the beginning, now, and forever shall be

Stop the stupid bickering on who or who's not  
The fighting, the blaming, the pointing has to stop  
Respect each others's thinking and we'll all gain  
then will the pride and glory of hardcore remain

Stand tall  
Take pride on the things that bind us all  
Strength in unity  
Keep it real and we'll always be
