**Lyrics :**

I know it's tiring  
But we have to strive my brother  
And I know it's so hard  
But we have to face the struggle  
To seek his truth  
That's what we have to discover  
So in the end we don't have to suffer

Don't give up, don't backdown  
Rise above  
Breakdown the walls and set your soul free  
Rise above
