**Title :** BECAUSE

**Lyrics :**

She walks around  
With her head to the ground  
And looks like a loser.  
I've known her for many years now  
And I think of how things were..

Maybe she's just self-conscious  
Of everything she does..  
Or perhaps shes just like that  
Because, Because, Because

It's hard to explain  
But enough to complain  
That she is such a jerk.  
Why is she such a bitch to me?  
I only want things to work.

Maybe she's just self-conscious  
Of everything she does..  
Or perhaps shes just like that  
Because, Because, Because

Who knows whats next in store for me?  
I bet it isn't good.  
Maybe she'll go nuke my house?  
I guarantee she would..

Maybe she's just self-conscious  
Of everything she does..  
Or perhaps shes just like that  
Because, Because, Because  
Because, Because, Because
