Title : What Gives You The Right

Lyrics :

Forever degrading their lives,
They will never be the same
Their hearts change from pure to darkness
As they live in silent shame
They swallow their tears
As they're unrightfully touched
How do you get off on that, you sick fuck

What gives you the right
To touch and grab
What gives you the right
To scar their minds
What gives you the right
To molestation
What gives you the fucking right

Why do you feel the need to kill
To destroy our population
You say God spoke to you
He gave you the right to mutilation
You say you're serving a favor
By ending peoples lives
Why don't you do us a favor
And just fucking die

What gives you the right
To kill innocent families
What gives you the right
To take away their lives
What gives you the right
To choose who lives or dies
What gives you the right

You act like you know everything
You say you've got the facts
but in reality, knowing is what you lack
Not taking the time to hear the truth
Making assumptions is what you do
Close your mouth,
Open your eyes
It's time for YOU to realize

What gives you the right
To make false assumptions
What gives you the right
To hate without knowing
What gives you the right

To pre-judge

What gives you the right

What gives you the right

To molestation

What gives you the right

To choose who lives or dies

What gives you the right

To pre-judge

What gives you the fucking right

What gives you the right x3
