Title : NON- Conformist!

Lyrics :

Chorus:

We donâ€™t like you
Youâ€™re not like us
Lets snicker and stare
And point and talk shit
Cause youâ€™re not perfect like us
Youâ€™re a non-conformist

You stick out from the crowd
Youâ€™re different so you must be a freak
You donâ€™t agree with us
And you talk to us with such defiance
Lets push you down and kick your face
Shun you from the group
Donâ€™t even talk to us

Chorus: X2

Something about you isnâ€™t quite right
You have an identityâ€¦ unlike us
You think what you wantâ€¦..unlike us
Youâ€™re not a mindless programmed cloneâ€¦ unlike us
You speak outâ€¦unlike us
You have different opinions than us
You donâ€™t agree with the authorities
There must be something wrong with you

Chorus: X2

YOU'RE A NON-CONFORMIST!!! WE DONâ€™T LIKE YOU!!!!
