## Lyrics :

### INTRO

V1 They say ignorance is bliss,  
But yours just kills me.  
Do you know where you stand?  
Or are you just trying to scare us?  
Hating people for who they are,  
Something they cant change.

Writing your god dam swastikas everywhere,  
Do you even know why you do?  
Do you even know why you hate?  
There is no master race!

### Â© X2

World war two is over,  
Your father Hitlerâ€™s dead.  
Get over yourselves you assholes,  
Get it through your heads.  
Youâ€™re no different then anyone else,  
Hating blindly because your parents do.  
You donâ€™t think,  
You donâ€™t think,  
YOU NAZI SCUM!

World war two is over,  
Your father Hitlerâ€™s dead.  
Get over yourselves you assholes,  
Get it through your heads.  
Youâ€™re no different then anyone else,  
Hating blindly because your parents do.  
You donâ€™t think,  
You donâ€™t think,  
YOU NAZI SCUM!

### INSTRUMENTAL

V2 Slice the wrist of an arm of any race,  
Blood the same color spills out of anyone.  
On the war field bloodstained bodies lay,  
Blood the same color,  
WERE ALL THE SAME!
