**Title :** all too much

**Lyrics :**

VERSE

have you ever felt decieved  
have you ever found yourself drowning in tears  
have you felt yourself die inside  
i have you ever felt yourself need the gift of life

CHORUS

these are the first signs you see  
when its all too much  
and you can't go on  
so try and sing happy song  
coz its all too much

VERSE

i know  
i have  
so many imperfectabilities  
but how could  
collect them  
and through them in my face  
when gets to much  
i slit my wrists and hope its not too much

CHORUS

VERSE

hi i feel the erge to kill  
dont try to stop me  
have a sweet life  
without me  
you can be  
real

CHORUS

VERSE

hi i feel the erge to scream  
until my lungs colapse  
until i free myself  
coz when my lungs collapse  
i won't breathe  
i wont see  
anything but black  
desperate darkness

CHORUS
