Title : martyrdumb

Lyrics :

Let's throw a war
We'll make sure God is on our side
We'll kneel down and say our prayers
And then run out and fight
Shoot 'em up with flying robots
Blow 'em up with human bombs
Rain down death and destruction
From hallowed arsenals

Don't see a need to argue
I've made no mistakes
You see it's not at all my fault
It's all for your sake
You know I'll be there for you
You know I'll feel your pain
You know you can count on me til the world's
Gone up in flames

Death to all those
Who don't believe the same as we
Our god's the only one that's right
So come and chant with me
Blast 'em back into the stone age
Let's kills the Great Satan
One side can quote the Bible
The other, the Koran

Take warning
Tread lightly
I'm feeling holy rage
Just looking for a reason
For a righteous rampage
Don't see a need to argue
It's all part of my game
You know I won't be happy
Til the world's
Gone up in flames
