**Title :** WEREWOLF LOVE

**Lyrics :**

It was 1:15, last call in the bar  
I told myself like this  
I ain't gonna go too far  
I couldn't stand up,  
she asked me if I need  
a place where I can sleep  
Next morning I woke up  
My head was killin' me  
I wondered where I am at  
and who is this girl here  
I see her with my sober eyes  
I think I have to go  
She looked better last nite  
On the punk show  
Hey girl I think I am in love  
I need all your help  
Hey girl I think I am in love  
Loosin' up my belt.  
I 've only got one eye  
Don't see too well  
Werewolf love...
