Title : RIDE OF LIFE

Lyrics :

Look at me I am movin' on
You can stay home if you want
Let me tell you, I don't care
It's your life nice home
Got your wife and (a) ten year loan
Some cheap timeshare
Enjoy the ride-The ride of your life-
The life is here and you cry
when your days are passin' by
I told you yesterday
You should've known and never lie
Yoursel about the perfect life
You should've known it's not the way
-And noone never told you the truth
just laughing in your face-
Enjoy the ride
The ride of the life
