Title : Dangerous Cross

Lyrics :

I hear a voice calling my name
Gonna start all over again
I've got no time to move ahead
Did you hear what I've just said?

I see the sign, but i cross the line
I know it's dangerous, but I really don't mind
I see the sign, but I cross the line anyway

I'm walking down the line
I'm feeling lost and found in my mind
Give me a long kiss goodnight
And everything will be all right

I see the sign, but i cross the line
I know it's dangerous, but I really don't mind
I see the sign, but I cross the line anyway

When the city sleeps
I walk this empty street
And on the borderline
Come check my vital signs

I see the sign, but i cross the line
I know it's dangerous, but I really don't mind
I see the sign, but I cross the line anyway
I see the sign, but i cross the line
I know it's dangerous, but I really don't mind
I see the sign, but I cross the line anyway
