Title : Yesterday

Lyrics :

Yesterday was far away, But when I woke up,
In my next life, Lying down on a bed of nails,
To crucify myself when I die, Just tomorrow, tomorrow,
let me go where the angels flow... Flying through the sky,
you will see..... See, feeling free...
But, when I was just a little boy, My vision had changed into the madness,
I've become on a dangerous path, kill and execute me on religion, on TV...
Yesterday...
Take me back to my past life, Where the egyptian man came to me,
And said I was the chosen one, Sell my soul and be cold...
