Title : Don't You Cry

Lyrics :

He's the One that Walked away, Why did he let us stay?

Don't you cry, you know it's True

We are thrall in this world, Slaves meant to walk in swirls

Don't you cry, you know it's True

Tied to system that we can't escape, Living in a society we were born to hate

Don't you cry, you know it's True

Foreseeing Vision of what will be, Visions of the truth will be revealed

Don't you cry, you know it's True
