**Title :** Try Before You die

**Lyrics :**

[VERSE 1]

Hey you,

Wanna buy our shit?

You can try it out.

I suggest you just take it.

[REF]

First try it out,

Test it out,

Use it loud,

Tryâ€¦.

Before you die.

[VERSE 2]

Hey you,

What will it be?

Something cool,

Or just shitty?

Or just try it out,

And better use it loud!!!
