**Title :** Conformity Noose (I wont be pulled down)

**Lyrics :**

I wont hold my breath  
I'm not making plans for  
TOMORROW MAY NEVER COME,

I wont wait in line  
I cant waste any more time  
DONT WASTE MY TIME

Conformity brings out  
all this shit with you and me,  
THE WORST OF YOU AND ME

Im skipping town  
Youre going down

All I learnt along the way  
is gonna lead me astray

BUT I WONT BE PULLED DOWN  
WONT BE PULLED DOWN

Put me in a suit and make  
me look like all the other guys

BUT I WONT BE PULLED DOWN  
I WONT GO DOWN WITH YOU!!!

You cant make me stay  
You cant make me do anything after  
THIS DAY

I'll take my final breath  
as I stand on the edge and scream  
OUT TO YOU

conformity sucks  
so just stand up with me and

Just be yourself,  
dont give a fuck about anyone else and scream

I WONT BE PULLED DOWN  
WONT BE PULLED DOWN

I'll wear what i wanna wear and you cant stop me cos

I WONT BE PULLED DOWN  
I WONT GO DOWN WITH YOU

The major cases of suicide around the world  
are generally caused by conformity or failure  
to conform  
people trying to fit in, social outcasts because  
they are of a different religion  
or sexual preference,  
or different race  
or just being different  
cant everyone just be their fucking selves,
