Title : go to hell good charlotte

Lyrics :

A dream at the age of eight
A ten year olds perfect date
But don't you think it's a bit late?
Joel madden give up mate.

(chorus)

Go to hell good charlotte
Go to hell good charlotte
If there is anything you can do
To make me love you
Piss of the stage
And act your own age.
Go to hell good charlotte
Go to hell good charlotte

Temporary tattoos
What could you possibly lose?
Oh my you don't know your dad
Wow Man that's tottaly rad
Makes you sound really cool
Oh how life is sooo cruel

(chorus)

Go to hell good charlotte
Go to hell good charlotte
If there is anything you can do
To make me love you
Piss of the stage
And act your own age.
Go to hell good charlotte
Go to hell good charlotte

Piano playin
Popstar layin
Cool dudes
A fan base.
What a waste
Them two girls are best friends
Anyway??.

(chorus)

Go to hell good charlotte
Go to hell good charlotte
If there is anything you can do
To make me love you
Piss of the stage
And act your own age.

Go to hell good charlotte
Go to hell good charlotte

Go to hell good charlotte
Go to hell good charlotte
If there is anything you can do
To make me love you
Piss of the stage
And act your own age.
Go to hell good charlotte
Go to hell good charlotte

Go away good charlotte. You smell.
