Don't Be  
(by Kyle Robinson)

Listen' up  
I've had enough  
I'm sick and tired  
of same old stuff

thats how it goes  
I go ignored  
no ones listenin' anymore

no ones listenin' when I am cryin'  
no ones listenin' when I am sighin'  
no ones listenin' when I am tryin'  
no ones listenin' I wanna fuckin die!

No ones listenin' any more, No ones listenin' to me  
No ones listenin' any more, No ones takin' me seriously  
(DON'T)

Listen' up  
cause this is it  
I'm sick and tired  
Of same old shit

Thats how it works  
I say a word  
and every time it will  
go unheard

no ones listenin' when I am cryin'  
no ones listenin' when I am sighin'  
no ones listenin' when I am tryin'  
no ones listenin' I wanna fuckin die!

No ones listenin' any more, No ones listenin' to me  
No ones listenin' any more, No ones takin' me seriously

DON'T BE  
MISSPOKEN  
DON'T BE  
MISS HEARD (x2)  
DON'T

no ones listenin' when I am sighin'  
no ones listenin' when I am tryin'

no ones listenin' when I am cryin'  
no ones listenin' I wanna fuckin die!

Mirrors crash on my lost soul  
remove my flesh and polish my bones  
the mirror show a reflection of my life  
the broken glass cuts deeper than a knife

No ones listenin' any more, No ones listenin' to me  
No ones listenin' any more, No ones takin' me seriously

DON'T BE  
MISSPOKEN  
DON'T BE  
MISS HEARD (x2)

DON'T (x5)

Mirrors crash on my lost soul  
remove my flesh and polish my bones  
the mirror show a reflection of my life  
the broken glass cuts deeper than a knife
