Verse 1

You're so caught up in me and my life
I'm am so close to grabbing that knife
Just watch me Ill push it through
And then ull know its all coz of u

And it's all coz of u

Y do u make out this is all a game
I can't believe I gave u my heart
Now its broken and it wont start

And it's all coz of u

Verse 2

You wanna see me day after day
Ur so obsessed with me just go away
I hope u feel all of this pain
Now you're gone im glad it wont come back again

It's all coz of u

Y do u make out this is all a game
I can't believe I gave u my heart
Now its broken and it wont start
