**Title :** MUSIC (Free Music Videos)

**Lyrics :**

You play the game It looks insane  
You killed the groove and video drained  
Such luck and it sucks and it drew fame  
Must be some stupid dumb punk to blame

You took a line you made it rhyme  
Forgot to sing the words in time  
Mastered the art of being vague  
In back of what you cannot play

Free music video for the kids

You've put some real thought into it  
Too bad your songs still sound like shit  
They fixed you walking end to end  
Start over or miss out again
