**Lyrics :**

Ring, ring, it's twelve o'clock  
My head's about to pop  
I can't get out of bed  
I'm too fucking lazy  
The cops just called again  
Just look at the trouble I'm in  
My life's all gone to shit and I could care less

Oh, leave me alone, I'll always stay at home  
Sit around and watch T.V. cause that's my life  
I'm smelling once again and standing up my friends  
I'm jacking off and getting caught but I could care less  
Cause I'm a lay-z-boy!

You think I'm lazy right  
Cause stay up all night  
Then crash right down  
And never get up  
Well, I think you're insane  
Because you're so vain  
That you wouldn't let me  
Be myself

Pissing my life away  
Yes, I'm pissing my life away  
Pissing my life away  
Yes, I'm pissing my life away
