Title : Natalie (Late Night Ride)

Lyrics :

Oh Natalie
Your really not that cool
Oh Natalie
Your really not that cool
Annoying everybody with all the stupid things you do

You really need to shut up
When your at school
So quiet down, baby
Cuz your not that cool
You always fuckinâ€™ talk about
What you donâ€™t know
You make your friends wonder
Why youâ€™d go so low

(chorus)

Just keep your mouth shut
When you got no say
Donâ€™t go away mad
Baby, just go away
Your making people wanna
Get away from you
Just pay respect where your
Respect is due

(chorus)

(solo)

(chorus x 2)
