Title : Your Time (T & L)

Lyrics :

Do you ever wanna have someone to hold onto
Cuz you never get to do the things you wanna do
Do you ever wanna run away to make it better
Cuz your feeling like your trapped under all the nasty weather

I toss and turn all night
While i'm thinking of you
You make me feel alright
Let me waste your time too (x2)

(Verse)

(Chorus)

(Chorus, no guitar)
