Title : Never Ending Party (Never Ending Party)

Lyrics :

Do you remember when
We were on top of the world
When we had all the fans
And we had all the girls
Well what has happened now
Iâ€™ll never cope with this
These are the days I love
These are the days I miss

Canâ€™t you see
I never want this to end

When you miss the times, I know
Just know you can always come home (x2)

Well maybe it was just
Just a test of fate
To see if we had heart
To see if we could relate
I guess its always true
No matter what I say
If you can be here now
I know weâ€™re here to stay

(Pre Chorus)

(Chorus)
