Title : Unstoppable (Never Ending Party)

Lyrics :

I hate how everybody has to
stop and stare at me
While their lives are going by them
like theyâ€™re living it for free
Well maybe all these people think that
they have made their heaven
Tell them welcome to the world
Now its 2000 and 7

Iâ€™ll never stare you
I hope I scare you
I mean all this because it feels like
Iâ€™m unstoppable (x2)

Maybe all of this is cause
I wear the way I feel
Iâ€™ll wear it like a badge of honor
Like Iâ€™m made of steel
You call me just a tragedy
and I should not exist
while I laugh at your conformity
and tell you how your fixed

(Chorus)

(Solo)

(Chorus)
