Title : sally's gotta dick

Lyrics :

once in a while
she throwing her smile
and i can't realize what my friend said
"she's got this beautiful long hair"
she trying to seduce me (hi boy!)
her name was sally
but i can't understand
she trying to pretend
to chasing me again...

*sally's gotta dick 3x
so she's homosexual
im pulling up my pants 3x out
she's homosexual

later on
i picked up the phone
i knew it was her
and i said wrong number
she said im already here
im fucking surprise (what the fuck)
when i see her on my side
wearing no bra and panties
trying to take 'em up
and guest what i have seen

*homosexual ooo...

i never want to meet this creature
so please god help me out
i never want to meet this creature
when i know that she's a man
