**Title :** this is me

**Lyrics :**

messed up again and its only nine a.m.  
some what the hells wrong with me  
maybe its just jeolsy  
i probly need to shape up  
but i dont care

i messed up and i feel good  
i burnt down the school and my whole freakin living room  
im just paranod  
well im not going to listen  
turn on radio  
and be my self

smillies on me  
5th street is paradise with people acting up in the restroom  
the chipped paint is so much fun its entertaining  
i like them smelly ol rags  
or maybe i dont but they say i do  
i know what im doing but you dont  
but i got me myself and i

i messed up and i feel good about  
i burnt down your house and your car  
im just paranod  
turn on the guitar and smash it all over the ground  
and be myself

i say no then i say yes  
im always ageinst you and thats how its always going to be  
and my mind  
funnyness is religion of me  
and thats me
