Title : Empty Glassas

Lyrics :

Faded pictures of the life that I once loved
With the flash, the moments gone
I gave up all I had for
Something that never brought me any comfort now
I've been lost too long

[Chorus:]

Deny it, but I am alone here
I've always hate this place
I never thought it end this way
Deny it, but I am alone
Another nameless face
Deny it, but I am alone here
I've always hate this place
I never thought it end this way
Deny it, but I am alone
Please don't forget my name
Deny it, but I am alone

Empty pages on the end
I can't move on
The words I never said were wrong
I never needed to feel connected
And now I'm only loved by empty glasses
Its gone on too long
I need to find a way to just move on

[Chorus:]

Deny it, but I am alone here
I've always hate this place
I never thought it end this way
Deny it, but I am alone
Another nameless face
Deny it, but I am alone here
I've always hate this place
I never thought it end this way
Deny it, but I am alone
Please don't forget my name
Deny it, but I am alone

I'm tired of you wishing me the best
It's a long ride home, a long ride home

[Chorus:]

Deny it, but I am alone here
I've always hate this place
I never thought it end this way

Deny it, but I am alone
Another nameless face
Deny it, but I am alone here
I've always hate this place
I never thought it end this way
Deny it, but I am alone
Please don't forget my name
Deny it, but I am alone
