**Title :** Fuckin More

**Lyrics :**

Is this shit?, Is this real? It just sucks how I feel.

In my head constant threat There's no place I could have fled.

Thinkin' sucks, feelings blocked. just got drunk, what the fuck!

What's my problem tell me now! All fucked up anyhow!

Don't give me no fuckin' more!!

Hit the door, hit the wall. You're the worst off them all.

Bleeding soul, broken hand, You will never understand!

Don't give me no fuckin' more!!
