Title : Girls Named Abby

Lyrics :

Girls Named Abby

written and copyrighted by Rob Davis on January 31, 2007

I got a thing for girls named Abby
Theyâ€™re always cute, theyâ€™re never happy
They always like me till I like them
And then itâ€™s the same old story again

I got a problem with guys named Joe
They surround me wherever I go
They always think theyâ€™re better than me
Which is kinda true to some degree

Once I knew this guy named Tony
He acted cool, he was a phony
He liked to talk behind my back
So then one day I kicked his ass

Iâ€™m good friends with girls named Stacy
Theyâ€™re so much better than girls called Traci
Who give it up to guys named Rick
Who make it a point to steal Robâ€™s chick
