Whatâ€™s the going on last night?  
I hope everything itâ€™s all right  
And I hope itâ€™s nothing wrong  
Cause I see u wait so long

What the truth do you do?  
When Iâ€™m not with you  
Tell me what that u says  
When Iâ€™ not that way

So please, please, please down  
Itâ€™s gonna be ok  
So please, please, please down  
Itâ€™s gonna be all right

What exactly do you say?  
When Iâ€™m not that way  
What the truth do you do?  
When Iâ€™m not with you

Reff : Itâ€™s gonna be fine  
Iâ€™ll be OK  
Itâ€™ gonna be fine  
Iâ€™ll be all right  
Itâ€™s gonna be fine  
Iâ€™ll be OK  
Itâ€™ gonna be fine  
Iâ€™ll be all right
