**Title :** Response to Temptation

**Lyrics :**

You say you're there to help me,  
But I know that evil look in you eyes,  
Taking up that offer is the beginning of the end of my life.  
You know that I won't trust you-  
Never have, never will.  
But once I'm in, I can't get out.  
Until--

You follow me around,  
You beg, you plead,  
too bad it ain't gonna work.  
You make me offers, make me deals in the hopes that I'll cave,  
But you know what I say?  
No thanks.  
No thanks!  
NO!

Just get the hell away from me,  
I want you outta my life.  
You know that I hate you,  
So just go find someone else,  
You'll never win me over,  
'Cause I'm staying here.

I think if i ignore you,  
You might go away.  
But I'm not that lucky.

Just get the hell away from me,  
I want you outta my life.  
And I'm still staying here.  
I'm staying here.

Everytime I try to run away  
You pull me back,  
Til I finally say:

I'll make this short but not so sweet,  
You know I'll never trust you,  
Never have, never will.  
And before I go, You just need to know one more thing--

Just get the hell away from me,  
I want you outta my life.  
You'll never win me over now,  
'Cause I'm tired of standing here,  
I'm gonna start running.

And if you dare to follow me, well,  
Sucks for you.
