Title : Forevermore

Lyrics :

File down the distant moonlight,
angels stir upon the shore.
Quiet down the darkness creeping,
Say the angels, "nevermore".

Quoth the raven, NEVERMORE!
Quoth the raven, NEVERMORE!
Quoth the raven, my sweet Lenore...

File down the distant moonlight,
devils stir upon the shore.
Quiet down the silver dagger,
say the devils, "nevermore".

Quoth the raven, NEVERMORE!
Quoth the raven, NEVERMORE!
Quoth the raven, my sweet Lenore...

What are the ashes,
Oh what are these ashes,
Why do they rain in my dreams?
What are the ashes,
Oh what are these ashes,
Can't it just be what it seems?

Quoth the raven, NEVERMORE!
Quoth the raven, NEVERMORE!
Please quoth the raven, sweet Lenore...
(My sweet, trembling Lenore...)

(Dance, my love)
Quoth the raven, NEVERMORE!
(Please let my knife be there for you)
Quoth the raven, NEVERMORE!
(Entwine our blood, love)
Quoth the raven, NEVERMORE!
(We can fall together)
Quoth the raven, NEVERMORE!
(We can be together)
Quoth the raven, FOREVERMORE!
