Title : dangerous romance

Lyrics :

rejected by what i ve created
and now my mind is overated
you never tryed to help me
and you stold all my dignity

day and night i stayed up
and because of you my life is ruff
this place is not where i belong
and i wish i was alone

you never ghave me a chance to tell you how i felt
you never gave me a chance to tell you i needed help
your in my mind of dangerous romance

Thres things in my mind
and i feel that i just dont have any time
Thres no time for me to be helped in this world
its tearing me all apart in my heart
