Title : Someway

Lyrics :

Someday,
I'm gonna learn to play!
Someway,
I'll make it big onstage!

Somehow,
I'm gonna show them all!
For Now,
All I've got is my guitar!

Always one step behind the crowd!
I have no reason to be proud!
Everybody got a big label for their band!
Biggest dang record deal you could land!

Now why not me?
What do I need to be?
Tell me now!
Tell me where to go and tell me how!

Today,
I'm gonna start a band!
One Day,
They're gonna understand!

One Way,
I'm gonna rock out loud!
My Way,
I'm gonna please the crowd!

Always one step behind the crowd!
I have no reason to be proud!
Everybody got a big label for their band!
Biggest dang record deal you could land!

Now why not me?
Where do I need to be?
Tell me now!
Tell me where to go and tell me how!

[Guitar Solo]

Always one step behind the crowd!
I have no reason to be proud!
Everybody got a big label for their band!
Biggest dang record deal you could land!

Now why not me?

What do I need to be?

Tell me now!

Tell me where to go and tell me how!
