**Title :** Taking the Subway

**Lyrics :**

This Filthy Place, Graffiti on the walls  
The city noise, it echoes through the halls  
This dirty train, Gum underneath the seats  
The winding floor, it swivels beneath your feet!

Chorus:

Just another ordinary day-taking the subway  
Just another ordinary time-something hereâ€™s not right  
I am trying to find my own way-through the subway  
Just another ordinary day . . .

The problem here: Commuters everywhere  
The people here-Theyâ€™re running here and there  
The way it works, youâ€™re swallowed by the crowd  
And with all the talk, the place gets really loud

CHORUS

Bridge:

This place is a maze  
I been searching for days  
To find my way  
To train 3-A
