**Title :** I was wrong

## Lyrics :

Verse 1:

Iâ€™m left out in the open, again  
And all of sudden Iâ€™m broken, I can never win  
This is going to be our last chance I know  
Cold winter breeze on dying plants

We wonâ€™t grow

Verse 2:

It doesnâ€™t make any sense to me, unclear  
And if this is the only way to agree, itâ€™s everything I fear  
Iâ€™ve fallen for you twice in our past, please let go  
And now youâ€™re slipping out of my grasp,

You wonâ€™t go

You wonâ€™t go

Chorus:

I was wrong, about us about everything  
I was wrong, without us thereâ€™s nothing  
You have gone, and I doubt youâ€™ll be coming back  
Iâ€™m alone, canâ€™t keep warm, youâ€™re so cold

Verse 3:

Your actions are speaking louder, than words  
The forecast is calling for snowshowers and it hurts  
Because all of your warmth has gone away, and itâ€™s freezing  
On a blistering cold December day

Chorus:

(I was wrong), about us about everything  
(I was wrong), without us thereâ€™s nothing  
(You have gone), and I doubt youâ€™ll be coming back  
(Iâ€™m alone), canâ€™t keep warm, youâ€™re so cold

Bridge (spoken):

Your warmth has gone, 14 below and itâ€™s freezing, itâ€™s ten oâ€™clock in the morning and Iâ€™ve  
got to go, got to end the aching thatâ€™s inside my head, you just left me with echos, with echos of the  
words that you said to me, that you said to me, that you said to me

Chorus:

(I was wrong), about us about everything  
(I was wrong), without us thereâ€™s nothing  
(You have gone), and I doubt youâ€™ll be coming back  
(Iâ€™m alone), canâ€™t keep warm, youâ€™re so cold
