Title : Guilty Flee

Lyrics :

You Take, You Fake

You Steal, No Deal

Let Living Rise

Aren't We Supposed To Be Free?

Let Innocent Die

And The Guilty Flee

Enprisonment! Now!

100 Years

Means Nothing To Them

Hooray! Three Cheers

As Hungry Fall, The leaders grow stronger

More and More Die, There Reigning Longer.

Let Living Rise

Aren't We Supposed To Be Free?

Let THE Innocent Die

And The Guilty... Flee

I Sit Here At Night

Ponder Whats Wrong

Here With A Pistol

I Bring You THis Song

Let Living Rise

Aren't We Supposed To Be Free

Let The Innocent Die

And The Guilty Flee

Tonight We Say

You Stand, You Fall.

Don't Even Step Up

Goodnight, That's all.
