Title : Calling Card

Lyrics :

Look around what do you see
Simple Life and Family
Nothing More Than A Blind Life
10 Year Olds Wanting To Go Under The Knife
Up in The Big Lights They All Live Free
But Way Down Here Theres Destruction and Poverty X 2

Chours

Burn Down The Flag!
Burn Down The Flag!
Were United World Wide
Burn Down The Flag!
Burn Down The Flag
Were United World Wide

Look around what do you see
Simple Life and Money
Fuck That Were A Blind Life
Government Always Stealing Your Last Dime
Up in The Big Lights They Have The Nuclear Stealth
But We Don't Want That We Want Peace For Our Health X2
