**Title :** Friends Don't Let Friends Hold Hands

**Lyrics :**

i wouldnt have traded the world  
night skies and beautiful eyes  
now im just going through the motions  
over and over again

keep me in your head  
im not something to forget  
in your silent nights alone  
promise me you'll remember me

promising the world  
when im knowing no such thing  
sleeping through the pain  
i hope youre wondering

at least you know im still here  
thanks for the thought  
good bye and goodnight  
this one last time

remember me
