Title : A snake with punk pant(real deal)

Lyrics :

Paradise, where I wanna be
Drunk and fight, i don't wanna dream about
Sick I am, what I define myself
Its not you, I don;t have a clue

It's not wise to be like you crack
Thats against my will, to farewell you guys
Well.. well..well, This is not heaven

Its not high, though i can't fly
(Dream)*4 of ANARCHY
Sometimes I dream, I am evil king
Well..well..well, Is this a hell??
Nevermind, it seems to be
(yeah.. yeah.. yeah.. (yeah)*2)*2

I work so hard but law is there.
I can't get what I sow, is that a fair??
I don't mind but we need to strike!!!
We want an aeroplane..
We want an elephant
We want a whole Cruise ship
We want to fuck all those whore
Mind it!!!!!!
Otherwise we will kill our hostage..

Repeat 1st and 2nd paragraph
