Title : Bed of Splinters

Lyrics :

I can't handle this shit you throw at me,
Your twisted state of mind just makes me want to leave,
cos inside your'e ugly and outside is blasphemy,

Who the fuck deserves this,
Your filth all over me,

I built a little box for you,
In the back of my head,
Lying in a splinter bed,
Wanna play dead, Wanna play dead,

I'm so tired and weak
Trapped in the state of a dream,
Your'e always insulting distorting the truth,
Your voice so unstoppable
take control,
WAKE THE FUCK UP

Who the fuck deserves this,
Your filth all over me,

I built a little box for you,
In the back of my head,
Lying in a splinter bed,
Wanna play dead, Wanna play dead,
