Title : God save your mother

Lyrics :

Primitive stuff..zzz zz

This world has been, holy land

Our men needs now, Fucking gulz

My shadow is in, locked in jail

My soul is in, starving heat

(I don't know who I am)* 2 I don't care

Our motherland has sunk in sea

This crazy world needs, anarchy

We server ourselves, we stand alone

Your world has prove, dick big jail...lleelll

(Now I don't need a break

Cause I got my own way)* 2

To kick away your primitive ways..yeah haa haa

Cords are under construction.....
