Title : Picture of my love

Lyrics :

Cord: G Bm D C

Everyday I look at her but she seems to be unreal
She sleeps in my dream I can't wake her
she is an an angel
These lonely days are haunting me but I am still waiting her

Cord: Em D C G

And now times are changing rapidly forever
I feel like I am sleeping as you are not beside me
And now times are changing rapidly forever
I wish I could do maricle to be with you forever

Cord: G Bm D C

Now you seems to forget mee
What is that lacking me
This world use to be heaven
But you tore my ture love
You seems to be moving
But that was my illusion
I want to kiss you deeply
Not in this fake picture

Cord: Em D C G

And now times are changing rapidly forever
I feel like I am sleeping as you are not beside me
And now times are changing rapidly forever
I wish I could do maricle to be with you forever
