Lyrics :

The words from your father
They tainted the water
It means something
With Blood on your collar
That runs thicker than water
It means nothing

And you are a Failure
Yah you are a failure
And I'm slicing away
I'm falling down
I'm falling down

The words from your father
They tainted the water
It means something
With Blood on your collar
That runs thicker than water
It means nothing

And you are a Failure
Yah you are a failure
And I'm slicing away
I'm falling down
I'm falling down

And you are a Failure
Yah you are a failure
And I'm slicing away
I'm falling down
I'm falling down
