another day has passed  
pretending everything is fine  
afraid the memory won't last  
can buy anything but time  
tell me where you're going  
don't know why I want to know  
I guess I don't want to join you  
if that's the way we're gonna go

resurrection's up for sale  
repairing everything I failed  
anything that used to be  
flowing slowly out of me

dead silence  
don't turn around  
no answers  
no way out
